Selectmen's Meeting

APRIL 23, 1985 - by VIRGINIA ARRAL

"COMMUNICATION" is the key word for improving relations between Old Colony Vocational School and the Old Rochester Regional High School and the Old Hammondtown School, agreed Selectmen, Mattapoisett School Committee members and Old Colony School Committee members at last Tuesday's Selectmen's meeting.

What was to be a quick discussion and appointment of a member to the Old Colony School Committee ended with a consensus that there are problems in the low attendance of Mattapoisett youngsters to the vocational school.

Town Moderator R. William Blasdale chaired a joint session with the two school committees and selectmen and reappointed Mrs. Blanche B. Perry for another three-year term. There was no other name submitted for consideration and her selection was unanimous. Mrs. Perry has been on the committee since its inception 10 years ago.

Discontent with the number of students from Mattapoisett who choose to attend Old Colony was expressed by Selectmen, William B. Keavy, Old Colony Committee member, and Mrs. Perry.

Keavy explained there are presently 52 Mattapoisett students attending out of 120 pupils allocated in the original agreement -- and the number is decreasing. Keavy continued his concerns, saying "We aren't just dealing in numbers...Is there an appreciation of and understanding of the school there? Are we reaching the kids that should be going there? I'm concerned about the relationship among the ORR Junior High, Senior High and even the town Elementary school. Somewhere there is a breakdown in communication. We get a lot of confusing answers."

Mattapoisett School Committee member Dorothea Peirce asked who should be filling the communication gap? Keavy said no one in particular. However, "I think Old Colony administrators have made attempts to students at the Junior High School. The requests have fallen on deaf ears - the answer has been 'no'", Keavy reported.

Mrs. Perry noted there seemed to be a reluctance at the ORR level to the overtures of Old Colony. "I hate to say it, but they (ORR) seem almost elitist." Old Colony students can go on to college if they want to or they can go into the work field. There are some graduates of Old Colony making $25. per hour - "how many college graduates are making that salary," she asked. "We owe it to the community to let parents know the opportunities that are there."

Keavy added that we have competition having two school districts. This is part of the problem. It behooves the town to encourage students to attend Old Colony as the per pupil cost is much less. If students at the Junior High level make plans other than ORR senior high they become outcasts was Keavy's opinion.

Mrs. Perry offered the suggestion that perhaps we could dovetail the two systems together. "We could exchange students during the day. Old Colony students could take art, etc. at ORR; ORR students could take some vocational classes. We have en-

visioned this system since the school's inception", Mrs. Perry said.

Selectman James Huntoon commented that it is Grades 7 and 8 that need strong enforcement about what is there. Even some parents don't know where Old Colony is located. "I'm as guilty as anyone - I didn't know how to get there until recently."

Selectmen asked Ellen Driscoll, Mattapoisett School Committee's representative to the ORR District Committee, to carry the message of our concerns. Find out how many from the Marion ORR Junior High students are leaving to go to Upper Cape Vocational School, the Selectmen asked of Mrs. Driscoll. Also, let the students who have no intention of going to college learn of the opportunities at Old Colony. These are the prime candidates, Selectmen agreed. Selectman Frank Suzan noted even the elementary school's grade 5 should be pushing it as well as the 7th and 8th grades. Mrs. Perry added that on Career Awareness Day at the the elementary school there should be films and speakers on the trades as well as professional people.

The group agreed to have Moderator Blasdale chair an ad-hoc committee of the collective group to ascertain the concerns and develop plans to improve the low attendance problem.

NEW BAND DIRECTOR NAMED

Those attending the Wednesday night summer band concerts at Shipyard Park will be greeted by a new band conductor at the opening concert on July 3rd.

Selectmen named J. Craig Lilly of 279 Hixville Road, North Dartmouth, a percussionist with the Mattapoisett Town Band and percussion instructor at the Dartmouth Public Schools, the new band director.

Highly recommended by the Mattapoisett

Town Band Committee, Mr. Lilly was named director and George B. Murphy of 1209 North Main Street, Acushnet, was named assistant director. Both names are submitted for final consideration and both were rated on an equal basis. The band committee suggested the alternate be asked to serve as an assistant to the conductor in the event a substitute is ever needed.

Mr. Lilly has an impressive background. Before coming to the Dartmouth schools he studied and received degrees from Ohio University and Miami University. He has taught at Miami U. as well as many other schools where he instructed students in percussion, marimba, marching band, concert band, jazz ensemble and chorus.

Mr. Murphy is presently music director at Old Rochester and specializes in the playing of the trombone, with qualifications in all band instruments.

Salaries of the two conductors have not been agreed upon at this time, but will be discussed by Selectmen with the Band Committee. A tentative salary scale of $500. to $850. for the season has been suggested.

In other business, Selectmen:

ANNOUNCED there will be NO catching of herring in nets in the Mattapoisett River on either side of the highway. State Resource Officer Pat Moran reported to Selectmen that there has been a problem with children poaching herring with nets on the north side of Route 6.

"This is a spawning area", said Selectmen Chairman John Decosta. He cited a state law #130-95 that prohibits the catching of herring with nets without permission. There is a fine of not less than $5. nor more than $50. for each offense.

DeCosta noted a state fresh water license is needed to catch herring with a pole above

RECEIVED A LETTER from Richard M. Brown, noting his objection to the proposal to place an ice machine on the wharf made by William Hall and Thomas Brownell at a recent selectmen's meeting.

Brown advised the Selectmen that he is in the process of negotiating the purchase of Romeo's Package Store on Water Street (at Shipyard Park), adjacent to the wharf, from the present owner, David J. Murray.

At an earlier meeting, Hall and Brownell had proposed placing an ice machine by the gas pumps on the town wharf. At the time

Selectmen voiced no opposition, but reserved judgement until they had more facts.

Brown wrote, in part, "During the summer the wharf area is usually quite crowded. Another ice machine in the area would add to the foot and vehicle traffic. As you are aware, Romeo's Package Store has an ice machine and has been supplying ice to the general public for a good number of years. Selling ice to the general public has been an important source of revenue to Romeo's. I believe in competition, but feel the town should hesitate before allowing a private person to establish an ice machine business on town property when there are already such resources available."

Brown, in his letter, said he agreed to erect a sign on the wharf or agreed to have the town erect one, mentioning to the boating public that ice is available at Romeo's.

APPOINTED Kathleen Crowe of 1 Bay View Road as a Constable. She expressed by letter an interest in the appointment and submitted a resume.

RECEIVED WORD from the state DEQE Shellfish Sanitation Program outlining the department's schedule for routine sampling of shellfish. The schedule is available by contacting Shellfish Warden Al Pauline. Anyone who would like to be present during the sampling should contact Pauline so he can contact the state authorities.

NOTED that because of the muddy conditions in the woods, Selectmen have set the month of September as a more desirable time to perambulate the town bounds with Selectmen from Marion and Rochester. A definite date will be decided later after checking with the other boards. This annual trek has become more difficult in past years due to the growth of bushes and the theft of markers, said DeCosta.

Twelve articles deal with Zoning regulations or changes recommended by the Building Inspector and Town Clerk or petitioners.

Petitioners are seeking the town acceptance of two roads - Pochontas Way and Eldorado Drive. No recommendations are made. The petitioners will speak on their own behalf to urge acceptance.

Other non-money articles include the Chief of Police's request to amend the general by-laws on the Alarm System Regulations; such as false alarms and penalties. Referred to the Selectmen for explanation is a request to authorize the board to sell at public auction or private sale the Deniz property on Church Street. Personnel by-laws will be considered for amendment.

Articles not recommended by the Finance Committee include the Harbor Patrol boat, water/sewer department equipment (a new backhoe loader).

Funds sought for the construction phase of sewer main extensions and sewer services on Main Street, Tobey Lane, Dexter Lane, and Beacon Street will be referred to the Water/Sewer Commissioners for explanation.

Arbor Day at Rochester Memorial

PLANTING INCLUDES MEMORIAL
IN ANNE SANTOS' HONOR

On Friday, April 26th, Rochester Memorial School took part in an Arbor Day Celebration. Rochester Woman's Club presented each student with a treeling in the spirit of the holiday. The children were excited to receive a baby Douglas Fir, Norway Spruce, European White Birch, Utah Blue Spruce or a Kousa Dogwood, each labeled individually, to be planted at their home. The club also honored the memory of former staff and Woman's Club member Anne Santos by donating and plant-

ing a weeping cherry tree on the front lawn.

This ceremony was preceded on Thursday by a program also concerning Arbor Day and conservation of trees presented by Mr. Jack Faustino. The students of Memorial School met in the courtyard and were greeted by Smokey the Bear. Mr. Faustino discussed Arbor Day and the importance of trees in our lives. With the help of some students, a tree from Myles Standish State Forest was planted in the courtyard.

Globe Stock Market Game. The program was sponsored in cooperation with the Center for Economic Education, Boston University and the Business History and Economic Life Program, Inc, Northeastern University. Memorial School was sponsored by Shearson Lehman Brothers of Brockton who paid for the newspaper for the 10-week program.

Of the 291 teams participating from all over New England, one team from Memorial School came in fifth place. The team earned $11,502.32 in the ten-week period by purchasing stocks. The Stock Market Game is based on computer programs that read the transactions of the New York and American Stock Exchange. These allow students to play the market as though their money and deals were real. The Stock Market Game is designed to foster an awareness of the world of business and finance, to show the interlocking relationships that exist at various segments of society and to sharpen study skills by placing students in decision-making roles which require research, judgement, analysis, mathematical ability and interpersonal cooperation.

The stocks the Memorial team invested in were Coleco, Morgan, Pfizer, Cincinnati Milacron, New Park and C.B.S.

Anatomical Design cradles foot firmly to help reduce sliding.

Ordinary athletic shoes are built on a form, or last, that is not contoured to the bottom of your foot. But Turntec's new Anatomical Last is built on a form that duplicates the shape of your foot. So foot movement and friction are controlled like never before.

When you step down, Turntec's Anatomical Cradle holds your foot right where the shoe's cushioning and your own natural padding will absorb the most impact.

This Anatomical Design keeps your foot from moving around in the shoe. So foot shock is held to a minimum. Which translates to a lot more comfort for the rest of your body.

of Mattapoisett. I feel, however, that by employing this heavy equipment mechanic, I have in fact saved the Town of Mattapoisett a great deal of money as well as ensuring a quick response in an emergency situation.

Without having our own heavy equipment mechanic, it would cost the Town much more. For example, before, we had to send equipment out to a garage or dealership for repairs. Labor charges for these repairs are usually $32.00 per hour. The vehicle is left at the place of repair and sometimes is not returned for several days. I also have to pay for two men to deliver the vehicle to the site of repair and again pay two men to pick the vehicle up when the work has been completed. This takes these men away from other important duties and increases the department workload. We no longer have to pay retail prices for parts as the Town purchases parts at a discount price.

This mechanic does not only work for my department, but on all town owned vehicles. As of this date, John Bowman has made emergency repairs on the Police Department Ambulance and on fire apparatus. In fact, he was called out, at night, to the scene of a fire to check on an engine that was not operating properly. He also repaired the fire apparatus and made them ready for the annual inspection as required by

the Registry of Motor Vehicles. John has repaired and performed maintenance on the Town Hall generator, which the Police Department depends on during power outages.

In fact, Gentlemen, Mr. Bowman has repaired the Sewer & Water Department trucks.

Mr. Bowman has totally reconditioned a front end loader owned by the Town. He replaced the motor and adapted it to the equipment and totally reconditioned the loader for approximately $4,000.00. A new front end loader would have cost the Town of Mattapoisett approximately $95,000.00, showing an immediate savings of $91,000.00.

He also overhauled the Highway Department street sweeper, replacing the brushes and making needed repairs. Again this piece of equipment has been restored to "like new" condition for an approximate cost of $1,200.00. A new street sweeper would cost approximately $75,000.00, again saving the Town of Mattapoisett approximately $73,800.00.

Mr. Bowman also spent several days making repairs to the fire alarm truck again at a savings to the Town.

All repairs to these vehicles have come out of the Highway Department Budget. If you look closely, by hiring John we have really cut repair and maintenance costs.

In all of my years of experience and many years of service to the Town of Mattapoisett, I have always done my best to provide the Town of Mattapoisett with the most service and best kept equipment at a minimum of cost.

I am also looking to the future. Mattapoisett is a quickly growing community with several new streets planned which will require more service, repairs, and plowing. We need our own Town mechanic who will perform preventive maintenance as well as make scheduled and emergency repairs to keep all

HONORABLE MENTIONS IN POSTER CONTEST

Students in Grades 1-12 through Massachusetts participated in a statewide energy poster contest sponsored by Commonwealth Electric Company (COM/Electric) along with other electric utilities in the state and the Massachusetts Association of School Committees.

According to John Farnham, COM/Electric Manager of Consumer Relations, "Energy Visions for Tomorrow's World" was designed to encourage students in Grades 1-12 to become energy conscious consumers, to develop an understanding of the many ways in which energy is produced and used in our society, and to help students think creatively.

The contest, which was endorsed by Governor Michael S. Dukakis and Energy Secretary

Country Celebration

SPONSORED BY ROCHESTER PTA

The Rochester Memorial School PTA is sponsoring a day before Mother's Day Celebration Saturday, May 11th, from 10 a.m. to 1 p.m. at the school. Many special gifts will be available, just in time for your favorite mother. Items will include country crafts, handmade baskets, baked goods, and flowers, herbs and perennials.

Please join us for this worthwhile fund-raising event. All proceeds from this sale will benefit our students.

Mark your calendar and come to the country!

Thank You

A MOST VERY SPECIAL THANK YOU!!!

On behalf of Police Chief James Moran and myself, we would like to take this opportunity to thank the many citizens in our community for their loyal support and time for last Fall's "bike-a-thon" for St. Jude's Children's Hospital. After a long awaited time, the majority of sponsors have turned their money in, and we are proud to an-

A THANK YOU

I am fortunate, indeed, to be living in this community where my many friends with their beautiful flowers, the many get well cards with their personal messages of encouragement, but most of all their prayers helped me during my stay at St. Luke's Hospital and University Hospital. My deepest gratitude and heartfelt thanks to all of you, may God bless you.

TALK ON MEDICARE AND AARP BENEFITS

Rochester Senior Citizens will be meeting on Tuesday, May 14th, at the Rochester Woman's Club on Route 105 at 1:00 p.m.

After the business meeting, refreshments will be served and there will be a talk and slides shown by Mrs. Simon on the current changes and future changes in Medicare and also on the AARP benefits. Bingo will be played, so members are asked to bring prizes. Also, members are asked to donate items for the annual Maybaskets for the shut-ins of Rochester.

Payment for the May 20th trip to Saugus and the Kennedy Museum will be due that day. Information on the four-day trip to Albany in July and the 5-day trip to the Catskills in October is available by calling Kay Settele at 995-1972. There is also a two-day trip to Boothbay Harbor for a Christmas Party on December 1st and 2nd to be planned. Anyone interested in these trips please call the above number.

"Fame is the perfume of heroic deeds." —Plato

The phrase "minutes of a meeting" does not refer to the time. It stems from the Latin "minutus" meaning "small", since records of proceedings were generally taken down in miniature, to be transcribed later.

LEADERSHIP REPRESENTATIVE

Joyce Senna, daughter of Mr. and Mrs. Gabriel Senna of Mattapoisett, has been selected to participate in the Hugh O'Brian Youth Leadership Program. Ms. Senna's formal application was submitted into competition with other high school sophomores throughout Massachusetts. Students selected will participate in a Youth Leadership Seminar at Boston College in May. Following the state seminar two students will be selected to attend the National Youth Leadership Week in Los Angeles next summer.

The Youth Leadership Seminars provide outstanding high school sophomores with the opportunity to meet and interact with leaders in business, government, the arts and education. Two-hundred fifty students will spend a weekend on the Boston College Campus and participate in numerous activities. The goal of the Hugh O'Brian Leadership Program is to recognize and encourage leadership potential in younger high school students.

BOAT OFF BRANDT ISLAND CAPSIZES

At 12:47 p.m. Sunday, April 28th, the Mattapoisett Police Station received a call from Mr. Robert Ringuette, owner of the Leisure Shore Marina, who stated that an unidentified youth who had been fishing on the island off the Brandt Island causeway had just informed him that a small boat with two men in it had just capsized. The location was between Brandt Island and West Island, approximately 3/4 mile off shore.

Mr. Ringuette, after calling the Police, enlisted the aid of Mr. Bishir Peris, who was at the Marina looking at the boats. The two men got into the Town Shellfish Boat which is tied at the Marina and proceeded out to the capsized boat and rescued the two men from the water.

The two men were transported to St.

Present at the rescue were Sgt. Donald Moran and Officer Kevin Paulson. Chief James Moran who was also at the scene stated that in his opinion if the Town's Boat was not at the Marina at that time and Mr. Ringuette had not acted promptly the men would probably not have been saved.

Mattapoisett Historical Society

CAPITAL FUND CAMPAIGN BACK IN HIGH GEAR

After a break for the Easter season and a time to get those income taxes done, the Capital Fund Campaign for the building addition at the Mattapoisett Historical Society's Museum and Carriage House is back in full swing. About a quarter of the $20,000 target has been received including several major gifts, but many past supporters have delayed getting their contributions in. With the dedication ceremony currently scheduled for June 30th, now is the time to get out the checkbook and make your gift to the Society. Checks should be made payable to the Mattapoisett Historical Society and sent c/o Bette Roberts, P. O. Box 683, Mattapoisett, MA. 02739.

The Committee is planning a telephone campaign during the third week in May to reach all those who have not already pledged. Since the Historical Society and the Museum is one of the unique features of the town, it is expected that nearly every household will support the campaign. All contributions are tax deductible.

Silent Running in an Alden Ocean Shell

This is solitude. It's also one of the best total body workouts you can get—bar none. Rowing alone on the water gives you peace of mind. It also increases stamina, builds endurance and develops total fitness.

Rowing uses *all* the major muscle groups — legs, back, shoulders, arms, chest, thorax and abdomen—and it does it in a natural, rhythmic motion that is almost completely injury free.

Are you a runner? Competition sailor? Cross country skier? Why not *stay* in shape in an Alden Ocean Shell.

Mattapoisett Woman's Club

WILDFLOWER WORKSHOP

Four members of the Garden Group of the Mattapoisett Woman's Club: Mrs. Kenneth Stickney, Mrs. Bradford Hathaway, Mrs. Robert McCarter and Mrs. Edwin Hutchinson were guests on April 23rd at a Wildflower Workshop sponsored by the Massachusetts Federation of Garden Clubs. At the Broadmoor Sanctuary in South Natick, speakers from the Governor's Office of Economic Development explained state beautification plans and projects. Urban and roadside plantings are to be included in the work of the state DPW as the drive headed by Governor Michael Dukakis to beautify Massachusetts gets underway. Attracting tourists is part of his plan, but his hope is to make the state a more enjoyable place for its citizens to live and work. Corporations as well as individuals are listed among the donors to the project, and additional funds are being sought. Problem areas and "ugly spots" are targeted for special attention, and to this end, the host organization was asked to submit pictures for consideration.

lawn-scaping, using northeastern wildflowers and those most likely to be successful in roadside plantings. Species not indigenous to North America have often proved harmful to the local ecology (such as purple loosestrife) and are to be avoided in any broadcast planting. He emphasized the need to save our endangered species, and the establishment of Land Trusts and Town Conservations Lands are two ways by which this may be accomplished. The Arnold Arboretum is conservation headquarters for the N.E. region. Slides of areas under rehabilitation and those we have managed to preserve illustrated his talk.

Methods of successful wildflower reproduction were detailed by William Brumback, Propagator at the Garden in the Woods. Timing is all-important, and material on successful methods may be obtained at the Garden in the Woods or from the Massachusetts Audubon Society. He listed the varieties most easily divided, as well as those spread by seed. When buying the whole plant, it is necessary to be sure that the retailer does his own propagating, and is

A tour of Broadmoor ended the program. The area is beautiful, combining upland meadow, woodland, and marsh. Trails run by the Charles River, and by the ponds and falls of former sawmill and gristmill sites. On Route 16, it is one of the newest sanctuaries of the Massachusetts Audubon Society, and we recommend it in any season as an excellent spot to visit.

Whale Auction

COME OUT WITH YOUR HANDS UP and your wallets open! It would be a CRIME to miss the Not-To-Be-Missed Ninth Annual WHALE Auction on Friday, May 3rd, at the Zeiterion Theatre.

Highlighting this year's auction is a 1981 Buick LeSabre Estate Wagon, generously donated by Kevin Dugan of Dugan Buick-Pontiac and formerly owned by a sheriff. It's still got the emblem on the door and the bubble-gum machine up top! Of course, we'll have to remove them before you can go cruisin', but you can be confident that your car's previous owner is an honest man - and the mileage hasn't been turned back!

Glass Museum

RESTORATION GALA

The official re-opening of the restored New Bedford Glass Museum will be celebrated on May 31 with The Restoration Gala from six until eight in the evening.

Tickets for the event are available at the Glass Museum, 50 North Second Street, New Bedford, and through volunteers. The cost of $10.00 per person includes wine bar, hot and cold hors d'oeuvres, and music.

Funded in part by a $60,000 grant from the Massachusetts Historical Commission, The Glass Museum has been undergoing extensive repairs since January. Included in the improvements to the 164-year-old building, once the Benjamin Rodman House, are the restoration of the entire third floor to its 1821-1872 appearance, and the creation of a new Glass Study Center and Archive. Also due to be unveiled are two furnished period rooms, in the Greek Revival and late Victorian styles. The rooms, as well as the entire third floor, have been decorated with hand-reproduced antique wallpapers, found in the house during the

The Glass Museum will be one of the few buildings in Massachusetts that has reproduced all its original wallpapers. It is currently being considered by the Massachusetts Historical Commission for its distinguished list of Totally Preserved Buildings.

The Museum's first floor galleries are open for visitors. Gallery hours are Monday-Saturday, 10:00-5:00; and Sundays, 1:00-4:00. The New Bedford Glass Museum is located at 50 North Second Street in New Bedford's waterfront historic district.

VOLUNTEERS FOR "NEW" GLASS MUSEUM

The newly-restored New Bedford Glass Museum is seeking volunteers to staff its new galleries and decorated period rooms.

The Glass Museum, which has been undergoing extensive repairs and restorations since January, will shortly be re-opening its doors to the public with three new galleries and a nationally-recognized Glass Study Center.

Volunteers are needed to orient visitors to the new rooms beginning in May, and for

Faculty "Gala Performance"

The Southeastern Massachusetts University music department will present a faculty "Gala Performance" as part of the festivities associated with the inauguration of SMU President John R. Brazil. The concert will be on Thursday, May 2nd, at 8 p.m. in the main auditorium (use parking lots 4 and 5). The concert is free to the public.

The program has been designed to demonstrate the diversity of the music faculty. Mark Davis will perform several works for classical guitar. He has just received acclaim for his New York debut recital. Eleanor Carlson will perform three works for piano by Debussy, including the brilliant "Fireworks". Composer Vincent Luti will have excerpts from his opera, "Blaxton", sung by soprano Nancy Rosenberg.

The second half of the program will feature an electronic music composition, "Collaborations", by Robert Adams. Edward FitzPatrick will perform his own Sonata for Violin and Piano assisted by violinist Jan Sparks. He will also perform a famous work of Scott Joplin, "The Maple Leaf Rag". Concluding the program, saxophonist Bobby Greene will play several selections with his jazz ensemble.

Brazil Inauguration at SMU

At his inauguration on May 4 as the fourth president of Southeastern Massachusetts University, John R. Brazil will be given his charge of office by Governor Michael S. Dukakis. The ceremony will be attended by delegates representing more than 150 colleges and universities across the country including M.I.T., Harvard, Princeton, Radcliffe, Vassar, Smith, Stanford, the University of California, and the University of Massachusetts.

The inaugural ceremonies will take place at 2:30 p.m. in SMU's main auditorium.

The order of exercises, presided over by Paul J. McCawley, chairman of SMU's Board of Trustees, will begin with a welcome by Trustee Claire Carney '73, chairperson of the Inauguration Committee, and an invocation by the Reverend J. Benton White, professor of religious studies at San Jose State University in California.

The following greetings will be given: from the students, by Laura McDowell '85, president of the student senate; from the alumni, by James W. Stott, Jr. '63, president of the alumni association; from the staff of SMU, by Wanda Johnson-Ingram, college counselor; and from the faculty, by Professor James Kaput, president of the faculty senate.

Other greetings will be from the Massachusetts Board of Regents of Higher Education by Chancellor John B. Duff; and from the American Association of State Colleges

and Universities by Dr. Catherine Tisinger, president of North Adams State College.

The investiture ceremony will be conducted by Chairman McCawley; David J. Beaubien, chairman of the Board of Regents; and Governor Michael S. Dukakis. President Brazil will then address the gathering.

The Reverend Richard Gendreau, SMU chaplain, will deliver the benediction.

John R. Brazil, who assumed the presidency of the University on September 1, 1985, came to SMU from San Jose State University in California where he served as academic vice president for undergraduate studies in 1983. Prior to that he was executive assistant to the president of San Jose and special assistant to the academic vice president. He had previously been a professor of humanities and American studies at San Jose and a teaching fellow in English, history, and American studies at Yale University.

He received a bachelor's degree from Stanford University, and a master's and Ph.D. from Yale.

President Brazil succeeded William C. Wild, Jr., the University's executive vice president, who served as SMU's third president for one year upon the retirement of former President Donald E. Walker.

Prior to the inauguration ceremonies there will be a luncheon for delegates and the platform party at 11:30 a.m. in the Residence Dining Hall behind the Campus Center.

Following the inauguration there will be a tent reception for inauguration guests at 4 p.m., a reception at 7 p.m. in honor of President Brazil, an inaugural dinner at 8 p.m., and an inaugural ball at 9:30 p.m.

Plymouth Philharmonic

CONCERT SCHEDULED FOR THIS SATURDAY

The Plymouth Philharmonic Orchestra concludes its 1984-85 concert season on Saturday, May 4th, with a light classical program, "The Italian Promenade". The concert begins at 8 p.m. in Memorial Hall, Court Street (Route 3A), Plymouth.

Soloists at the concert are Janet Rose, violin, and David Cobb, doublebass. The pair, who met when both were members of the Albany Symphony Orchestra, will perform Bottesini's "Grande Duo Concertante for Violin, Doublebass and Orchestra".

Janet Rowe is Concertmaster of the Berkshire Symphony Orchestra at Williams College in Williamstown and is a performer with the "Music in the Round" series there. She also plays with the Magigian String Quartet in Albany and is Assistant Concertmaster with the Albany Symphony Orchestra.

David Cobb has held the position of Principal Doublebass with the Vermont Symphony Orchestra since 1962. He has also been Principal Doublebass with the Berkshire Symphony Orchestra, Albany Symphony Orchestra and Lake George Opera Festival. Cobb is a director of the Plymouth Philharmonic Orchestra, Inc. and owner of Burgess Bog Co., Inc. of Plymouth.

Rowe and Cobb have performed the Bottesini "Grande Duo Concertante" together with the Vermont Symphony Orchestra, the Berkshire Symphony Orchestra and the Lake George Opera Festival Chamber Series.

The Great Grapefruit Diet™
ALL NATURAL APPETITE SUPPRESSANT AND FAT REDUCER
INTRODUCING . . . the latest development in nutritional weight loss technology . . .
. . . the 4-way, all natural weight loss sensation!

1 GRAPEFRUIT EXTRACT — Fruit enzymes promote fat reduction by stimulating cell metabolism.

2 THE GREAT GRAPEFRUIT DIET also contains GLUCOMANNAN, the amazing vegetable fiber, used in Japan for over 1500 years, which absorbs over 50 times its weight in fluids - giving a comfortable "full" feeling, while cleansing your system. Glucomannan, as a high-fiber substance, has the ability to restrict the absorption of fat and cholesterol in the intestines.

3 THE GREAT GRAPEFRUIT DIET contains kelp, lecithin, apple cider vinegar and vitamin B6 - the oldest and most widely used natural fat-reducing formula in the world - for burning and emulsifying fat and to flush it out of the system.

4 Uva Ursi is added to the GREAT GRAPEFRUIT DIET as a gentle, smooth-acting natural diuretic to prevent fluid retention, puffiness and bloating.

The Great Grapefruit Diet™ is carefully formulated with the best natural ingredients to REDUCE FAT AND SUPPRESS APPETITE
. . . Naturally!
